

## CHAIRMAN MESSAGE

**Prof. Dr. Md. Zamil Sultan**

**View Profile (<https://hstu.ac.bd/teacher/zamil>)**

Warm greetings from the Department of Electrical and Electronic Engineering (EEE) under the Faculty of Computer Science and Engineering (CSE), Hajee Mohammad Danesh Science and Technology University (HSTU), Dinajpur, Bangladesh. It is my pleasure to welcome you to our department and introduce you to the many opportunities and resources we have to offer for our students. Department of EEE is one of the most demanding and leading departments in HSTU. Our department is dedicated to provide a comprehensive and cutting-edge education in electrical and electronic engineering, with a strong focus on research and innovation. We are proud to have a highly qualified, experienced and dedicated teachers who are experts in their respective fields. They are actively engaged in research with a wide range of topics, including renewable energy, robotics, power, and communication systems. We have a range of laboratory facilities that help to support our students' learning and research. Teachers-students relationship are friendly here, both inside and outside of the classroom. In addition to our academic programs and research activities, we also offer a variety of extracurricular and outreach activities, such as EEE-based project design competitions, workshops, seminars, cultural activities as well as indoor-outdoor game competition through EEE club of HSTU (students club). We feel proud that our students participate regularly to intra- and inter university different EEE-based project competitions, and receives awards successfully. Our alumni makes us proud by getting research- as well as job opportunities all over the world, such as USA, Australia, Germany and Japan etc. Students are welcomed to be a part of EEE family, HSTU. Thank you so much.

*Chairman, Department of Electrical and Electronic Engineering.*
